REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 49 and 61 have been rewritten to include previously identified subject matter, and are thus allowable, as are dependent claims 50-60, 62-81, 83-91, and 94.

Claim 48, as amended, and new claim 95 are also allowed. The closest prior art, Jurbergs, fails to disclose the use of an optical path-changing portion which *diffusely* reflects or *scatters* light, instead simply reflecting it in a single direction. Dependent claim 93 is thus also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Scott Alan Knauss whose telephone number is (571) 272-2350. The examiner can normally be reached on 9-5 Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rodney Bovernick can be reached on (571) 272-2344. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
